The Arbitrator shall give a reasoned decision or award, including as to the costs of the arbitration, which shall be final and binding on the Parties. The Parties agree that the Arbitrator's award may be enforced against the Parties to the proceedings or their assets, wherever they may be found. The Parties shall co-operate in good faith to expedite (to the maximum extent practicable) the conduct of any arbitral proceedings commenced under this Agreement. Each Party shall bear and pay its own costs, expenses, fees, disbursements and other charges of its counsel, in connection with the arbitration proceedings except as may be otherwise determined by the Arbitrator.

Any reference of any dispute, difference or claim to arbitration under this Agreement shall not affect the performance by the Parties of their respective obligations under this Agreement other than the obligations relating to the dispute, difference or claim referred to arbitration.
